MEDIA RELEASE

*For immediate release
November 14th, 2007*

The following are the highlights of the regular Township Council meeting held Tuesday, November 13th, 2007:

- **Ted Mosquin appointed to Environmental Advisory Committee** – Township Council has appointed well-known local field naturalist Ted Mosquin to its Environmental Advisory Committee (EAC). Mr. Mosquin brings many years of related experience to the EAC and replaces Dale Burnell. Council thanked Mr. Burnell for his years of service to the Committee and welcomed Mr. Mosquin aboard. For further information, contact Janie Laidlaw, EAC secretary, at 613-259-2398 x 221.
- **Repairs to be made to Tatlock Public Works Garage Roof** – Council has awarded a contract to McKay Sheet Metal of Middleville to repair the roof and install flashing to prevent water infiltration at the Tatlock Public Works Garage. The contract value is \$5,600 plus GST and the work will commence shortly. For more information, contact Glenn Kargus, Superintendent of Public Works, at 613-259-2398 x 239.
- **Extension Sought for Police Services Board Member** – Council has asked the Province of Ontario to extend the appointment of the Provincial Appointee to the Police Services Board, Mr. George Braithwaite, for an additional 3 years to coincide with the term of Township Council. For more information, please contact Mary Kirkham, Clerk, at 613-259-2398 x 231.
- **Integrated Sustainable Community Plan (ISCP) to be submitted for Award** – Council has authorized staff to submit the Township's ISCP to the Federation of Canadian Municipalities (FCM) for a sustainability award, which are presented annually at the FCM Conference in June. The ISCP is presently being finalized and it is anticipated that Council will ratify it at the November 27th, 2007 session. For more information, please contact T.J. Simpson, CAO, at 613-259-2398 x 222.
