

BEACHES

The following beaches in Lanark Highlands are tested weekly during the swimming season by the Leeds, Grenville and Lanark District Health Unit. Results of the water testing can be found on their website at www.healthunit.org or by calling them directly at 1-800-660-5853.

ROBERTSON LAKE – SOUTH LAVANT COMMUNITY PARK

Location: South Lavant Road

Description: Large sandy beach area with a floating dock. Change rooms and outhouse available. Picnic area and ballpark. Boat launch area adjacent. Plenty of parking.

DALHOUSIE LAKE – CENTENNIAL BEACH

Location: Lavant Mill Road (access from County Rd 12 west of McDonald's Corners)

Description: Small beach and boat launch area. There is also a picnic area and a playground structure. Parking is adjacent. There is a small general store in McDonald's Corners.

LANARK VILLAGE – CLYDE WATERFRONT BEACH

Location: Hillier Street (access from corner of George Street)

Description: Sand beach with gradually increasing water depth. Small dock. Playground structure, swing sets and picnic tables available. Parking adjacent. Walking distance to the stores of Lanark Village.
