

South Lavant Road closures at Robertson Lake slated for Oct. 24 to Nov. 4

Road construction work is scheduled to begin on County Road 16 along the shoreline of Robertson Lake, west of the hamlet of Poland, on Monday, Oct. 17, with road closures beginning on Oct. 24 for approximately two weeks.

Lanark County Public Works advises that during this work intermittent road closures are needed due to the narrow roadway width.

“Each road closure will be limited to a maximum of 45 minutes per hour,” explained Sean Derouin, public works manager. “They will start at 7 a.m. on the day of the closure and conclude at 6 p.m. on the same day.”

For more information on the road closure times, please visit www.lanarkcounty.ca/roads

There is no practical detour available, therefore detour signing will not be in place.
